

A House Or Maybe A Boat (*Hawksley Workman*)

G **C**
I think I will find some wood and build a house
Am
Or maybe a boat
D
I don't know

G **C**
Just a place to call my own so when you come by
Am
To drink some wine
C
There'll be a roof outside
D
All night

Em
But I have never been so good
D
With a hammer and nails

G **C**
So patience baby Christmas may be miles away
Am
But that's the day
D
I should be done

G **C**
So bring your kisses and a couple of clementines
Am
To go with the wine
C
And we'll keep the rind
Am **D**
Cause the smell is just right at Christmas time

Em
And then we'll join our voices there
D
Let nothing you dismay

Em

Remember Christ the saviour was

D

Born on Christmas day
