

**Intro:** Follows first verse 02 Piano once then 56 Violin

Dm F  
 Ever since the days of old  
 C G  
 Men would search for wealth untold  
 Dm F  
 They'd dig for silver and for gold  
 C G  
 And leave the empty holes

Dm F  
 And way down south in the Everglades  
 C G  
 Where the black water rolls and the saw grass waves  
 Dm F  
 The eagles fly and the otters play  
 C G  
 In the land of the Seminole;

**Chorus:**

Dm F  
 So blow, blow Seminole wind|  
 C G  
 Blow like you're never gonna blow again|  
 Dm F  
 I'm callin' to you like a long-lost friend|  
 C G  
 But I don't know who you are;  
 Dm F  
 And blow, blow from the Okeechobee|  
 C G  
 All the way up to Micanopy  
 Dm F  
 Blow across the home of the Seminole|  
 C G  
 The aligator and the gull

**Riff:** Follows first verse

Dm F  
 Progress came and took its toll  
 C G  
 And in the name of flood control  
 Dm F  
 They made their plans and they drained the land  
 C G  
 Now the Glades are goin' dry  
 Dm F  
 And the last time I walked in the swamp  
 C G  
 I stood up on a cypruss stump  
 Dm F  
 I listened close and I heard the ghost  
 C G  
 Of Oseola cry

**Chorus:**

**Outro:** ½ time follows first verse 02 Piano
