

Good Range

Intro: G, Am, D, G, G, Am, D

I think I'll go out to Alberta
 Weather's good there in the fall
 I've got some friends that I can go working for
 Still I wish you'd change your mind
 If I ask you one more time
 But we've been through that a hundred times before

Chorus:

Four strong winds that blow lonely
 Seven seas that run high
 All those things that don't change come what may
 For the good times are all gone
 And I'm bound for moving on
 I'll look for you if I'm ever back this way

If I get there before the snow flies,
 And if things are looking good
 You could meet me if I sent you down the fare
 But by then it would be winter
 Not too much for you to do
 And those winds sure can blow cold way out there
