

Chorus:

C Am F G
Oh where, oh where can my baby be? The Lord took her away from me.
C Am F
She's gone to heaven, so I got to be good, so I can see my baby when
G C
I leave this world.

C Am F G
We were out on a date in my daddy's car. We hadn't driven very far.
C Am F
There in the road, straight ahead ...The car was stalled,
G
the engine was dead.
C Am F
I couldn't stop, so I swerved to the right. I'll never forget the
G
sound that night.
C Am F G
The screaming tyres, the busted glass. The painful scream that I
C
heard last.

Chorus:

C Am F
When I woke up, the rain was pourin' down. There were people standing
G
all around.
C Am F G
Something warm going through my eyes, but somehow I found my baby that night.
C Am F
I lifted her head, she looked at me and said, "Hold me darling for a
G
little while."
C Am F
I held her close. I kissed her, our last kiss. I found the love that
G
I knew I would miss.
C Am F
But now she's gone, even though I hold her tight. I lost my love ...
G C
my life, that night.

Chorus:**Outro:**

C Am F G
Ooh, ooh ooh, ooh ooh, ooh, ooh ooh, ooh ooh **x2** end on C
