

Don't Worry About The Government

(Written by David Byrne. Recorded by the Talking Heads, 1977.)

(C) I see the clouds that move a(A)cross the sky
(C) I see the wind that moves the (A) clouds away
(G) It moves the clouds (F) over by the (Am) building
(G) I pick the building that (F) I want to (Am) live in
(C) I smell the pine trees and the (A) beeches in the woods
(C) I see the pine cones that (A) fall by the highway
(G) That's the highway that (F) goes to the (Am) building
(G) I pick the building that (F) I want to (Am) live in

It's (C) over there, it's (Dm7) over (G) there
(D) My building has (G) every convenience
(D) It's gonna make life (G) easy for me
(D) It's gonna be easy to (G) get things done
(D) I will relax a(G)long with my loved ones

(E) Loved ones, loved ones (Dmaj7) visit the (Bm7) building,
Take the (E) highway, park and (Dmaj7) come up and (Bm7) see me
I'll be (E) working, working but (Dmaj7) if you come (Bm7) visit
I'll put (E) down what I'm doing, my (Dmaj7) friends are im(Bm7)portant

(Dm7) Don't you (G) worry 'bout (D) me
(Dm7) I wouldn't (G) worry a(D)bout me
(Dm7) Don't you (G) worry 'bout (D) me
(Dm7) Don't you (G) worry 'bout (D) me

(C) I see the states, a(A)cross this big nation
(C) I see the laws made in (A) Washington, D.C.
(G) I think of the ones I con(F)sider my (Am) favorites
(G) I think of the people that are (F) working for (Am) me
(C) Some civil servants are (A) just like my loved ones
(C) They work so hard and they (A) try to be strong
(G) I'm a lucky guy to (F) live in my (Am) building
(G) They all need buildings to (F) help them a(Am)long
