

Hey Little Cobra

(Written by Carol Connors and Marshall Kleinbard; recorded by the Rip Chords, 1964.)

(C) Hey, Little Cobra don't you (D) know you're gonna
(E) shut'em (A) down (E)

I (A) took my Cobra (D) down to the track
(E7) Hitched to the back of my (A) Cadillac
Everyone was there just a (D) waiting for me
There were (C) plenty of (D) Stingrays and (A) XKEs (E)

(A) Spring little Cobra, getting ready to strike
(A) Spring little Cobra, with all of your might
(D) Spring little Cobra, getting ready to strike
(A) Spring little Cobra, with all of your might
(C) Hey, little Cobra, don't you (D) know you're gonna
(E) shut'em (A) down (E)

When the (A) flag went down you could (D) hear rubber burn
The (E7) Stingray had me going (A) into the turn
I hung a big shift and I (D) got into high
And when I (C) flew by the (D) Stingray I (A) waved bye-bye (E)

(chorus)

A(A)round the far turn in the (D) straight-away
I was (E7) blowing off everything that (A) got in my way
The Stingrays and Jags were (D) so far behind
I took my (C) Cobra out of (D) gear and let it (A) coast to the line (E)

(chorus)

(E) Shut'em (A) down
(E) Shut'em (A) down
(E) Shut'em (A) down
(E) Shut'em (A) down
(repeat until fade)
