

## I Knew The Bride When She Used to Rock And Roll (Nick Lowe)

(D)I knew the bride when she (A)used to rock and (D)roll (x2)

(D)Well, the bride was a picture in the gown that her mama (A)wore  
When she was married herself nearly twenty-seven years be(D)fore  
The had to change the style a little but it looked just (A)fine  
Stayed up all night, but they got it finished just in (D)time  
(D)Now on the arm of her daddy, she's walkin' down the (A)aisle  
I see her catch my eye and give me a secret (D)smile  
Maybe it's too old fashioned, but we once were close (A)friends  
Oh but the way that she looks today, she never could have (D)then.

Well, I can (G)see her now in her tight blue jeans

(D)Stuffin' all her money in the record machine

(G)Spinnin' like a top, you shoulda seen her go

(D)I knew the bride when she (A)used to rock and (D)roll (x2)

(D)Well, the proud daddy only want to give his little girl the (A)best

So he put down a grand on a cozy little lover's (D)nest

You could have called the reception an unqualified suc(A)cess

At a posh hotel for a hundred and fifty (D)guests

(D)Well, take a look at the bridegroom smilin' pleased as (A)pie

Shakin' hands all around with a glassy look in his (D)eye

He got a real good job and his shirt and tie is (A)nice

But I remember a time when she never would have looked at him (D)twice

Well, I can (G)see her now drinkin' with the boys

(D)Breakin' their hearts like they were toys

She (G)used to do the pony, she used to do the stroll

(D)I knew the bride when she (A)used to rock and (D)roll (x4)

(solo)

Well, I can (G)see her now with her Walkman on

(D)Struttin' up and down to her favorite song

I still re(G)member when she used to wanta make a lot of noise

(D)Hoppin' and boppin' with the street corner boys

She (G)used to wanna party, she used to wanna go

(D)I knew the bride when she (A)used to rock and (D)roll (x4)

(D)I knew the bride when she (A)used to rock and (G)roll
