

Little Record Girl

(Written by Afie Jurvanen. Recorded by Bahamas 2014.)

(D)(G)(A)(D)(G)(A)

(D) Fell in love with someone on a jacket sleeve

(G) Found her in a pile of **(A)** old LPs

And I **(D)** counted the rings round her like a tree

She **(G)** spun around for **(A)** ever 33

(A) Whoa uh oh **(D)** oh woah

She's my little **(G)** record girl **(A)**

Whoa uh oh **(D)** oh woah

She's my little **(G)** record girl **(A)**

Whoa uh oh **(D)** oh woah

She's my little **(G)** record girl **(A)**

Whoa uh oh **(D)** oh woah

She's my little **(G)** record girl **(A7)**

(D) She was always begging for the needle down

It was the **(G)** only way she could **(A)** make a sound

(D) Words were there jumping off of the page

And I **(G)** thought the first time I'd see her up on **(A)** stage

(chorus)

(G) There's a part of her in **(A)** every song

(G) Now I'm thinking that it **(A)** won't be long

(G) Till I hear it all a **(A)** round the world

(D) Finally found out she'd been moving around

There was **(G)** one of her almost **(A)** every town

(D) Went to a friends I saw her there on a shelf

And I **(G)** thought the whole time she was mine

I never had her to my **(A)** self

(chorus)
