

Look Around You (It's Christmas Time)

(Bobby Goldsboro, 1968.)

Santa **(D)** Claus on every **(A)** corner
As he **(G)** braves the Winter **(Asus4)** night **(A)**
Bells are **(D)** ringing in his **(A)** left hand
And a **(G)** bottle in his **(Asus4)** right **(A)**
Look a**(D)**round you, **(Am7)** it's Christmas **(D)** time. **(Am7)**

Christmas **(D)** trees made out of **(A)** plastic
Standing **(G)** bare in every **(Asus4)** door **(A)**
We will **(D)** deck the halls with **(A)** holly
If we **(G)** make it off the **(Asus4)** floor **(A)**
Look a**(D)**round you, **(Am7)** it's Christmas **(D)** time. **(Am7)**

Fathers **(D)** celebrating **(A)** Christmas
With a **(G)** bottle full of **(Asus4)** rum **(A)**
While his **(D)** children wait for **(A)** presents
That they **(G)** know will never **(Asus4)** come **(A)**
Look a**(D)**round you, **(Am7)** it's Christmas **(D)** time. **(Am7)**

One armed **(D)** beggar selling **(A)** pencils
But we **(G)** cannot spare a **(Asus)** dime **(A)**
Save it **(D)** for the parking **(A)** meter
Or we'll **(G)** have to pay a **(Asus4)** fine **(A)**
Look a**(D)**round you, **(Am7)** it's Christmas **(D)** time. **(Am7)**

All the **(D)** churches filled with **(A)** nothing
But the **(G)** quiet of the **(Asus4)** night **(A)**
Doesn't **(D)** anyone re**(A)**member
Why we **(G)**celebrate to**(Asus4)**night **(A)**
Look a**(D)**round you, **(Am7)** it's Christmas **(D)** time. **(Am7)**

It's Christmas **(D)** time.
