

New Moon Over Jamaica (Cash, McCartney, 1988)

(3/4) There's a (A)new moon (E7)over Ja(A)maica
And the (D)new year just got here, you (A)see
There's a (D)new moon over Ja(A)maica
And I'm living with an (E7)old memo(A)ry

So (E7)won't you come back to Ja(A)maica?
(E7)You know it isn't so (A)far
(B7)Look up in the sky where you (E7)left me that night
I'll be (B7)standing right under that (E7)star

(chorus)

(E7)I said good evening to (A)Venus
(E7)She said good evening (A)too
(B7)Out there somewhere, you (E7)know I could swear
(B7)She sent a message of (E7>true love from you

(chorus)

A (E7)new moon makes someone feel (A)happy
A (E7)new moon makes someone love(A)sick
I'm (B7)thinking of you, but (E7)what can I do?
(B7)New moons and new years and (E7)old love's don't mix

(chorus)

(A)Just the new year, a (E7)new moon and (D²²²⁵)me(Dmaj7)(D6)(A)
