

On the Wings of a Nightingale

(Written by Paul McCartney. Recorded by the Everly Brothers 1984.)

(C) When I love, (G) I get a feeling like I'm (C7) traveling through the (F) sky
(F) On the wings of a (C) nightingale (C)(G)(C)
(C) As I ride, (G) my head is reeling and I (C7) don't even wonder (F) why
(F) On the wings of a (C) nightingale I'll fly (G)(G7)
(G7) I'll go (F) land and (G7) sea, I'll be thinking of (C) you and (Am) me
(Am) Couldn't ask for a better place to (G) be
(Am) Oh, I can (F) feel something happening
(Am) Oh, I can (F) feel something happening
(Am) Oh, I can (F) feel something happening (C) to me (C)(G)(C)
(C) So hold my hand, (G) I got a feeling that the (C7) journey has just be(F)gun
(F) On the wings of a (C) nightingale (C)(G)(C)
(C) And if you like (G) we'll fly together to the (C7) land of eternal (F) sun
(F) On the wings of a (C) nightingale of love (G)(G7)
(G7) I'll go (F) land and (G7) sea, I'll be thinking of (C) you and (Am) me
(Am) Couldn't ask for a better place to (G) be
(Am) Oh, I can (F) feel something happening
(Am) Oh, I can (F) feel something happening
(Am) Oh, I can (F) feel something happening (C) to me (C)(G)(C)
(C) When I love, (G) I get a feeling Like I'm (C7) traveling through the (F) sky
(F) On the wings of a (C) nightingale
(F) On the wings of a (C) nightingale
(F) On the wings of a (C) nightingale
(G) Oooh (G7) oooh (F) oooh
(F) On the wings of a (C) night(G)in(C)gale
