

## Something (George Harrison)

**Something in the way she moves Attracts me like no other lover**

**Something in the way she woos me**

**I don't want to leave her now You know I believe and how**

**Somewhere in her smile she knows That I don't need no other lover**

**Something in her style that shows me**

**Don't want to leave her now You know I believe and how**

**You're asking me will my love grow**

**I don't know, I don't know**

**You stick around now it may show**

**I don't know, I don't know**

(Instrumental - verse chords)

**Something in the way she knows And all I have to do is think of her**

**Something in the things she shows me**

**Don't want to leave her now You know I believe and how**
