

# The Kids Are Alright

(Written by Pete Townsend. Recorded by The Who, 1965.)

## (D5)(tacet)

I don't mind other (G) guys dancing (A) with my (D) girl (G) (A)  
That's (D) fine, I (G) know them all (A) pretty (D) well  
But I (Em) know sometimes (A) I must get (G) out in the (D) light  
Better (Em) leave her be(A)hind with the kids, they're al(D)right (Dsus4) (A)  
The kids are al(D)right (Dsus4) (A)

Some(D)times, I (G) feel I gotta (A) get a(D)way (G) (A)  
Bells (D) chime, I (G) know I gotta (A) get a(D)way  
And I (Em) know if I (A) don't, I'll go (G) out of my (D) mind  
Better (Em) leave her be(A)hind with the kids, they're al(D)right (Dsus4) (A)  
The kids are al(D)right (Dsus4) (A)

(A5) I know if I go things would be a lot (Gsus2) better for her  
(A5) I had things planned, but her folks wouldn't (Gsus2) let her (A)
