

# Throwing My Baby Out With The Bathwater

(Written by Bob Kingston, Gary Long, and Eddie Tudorpole. Recorded by Tenpole Tidor, 1981.)

**(Bb)**

**(F)** I'm on the run, I've lost my gun, I **(Bb)** got to get a **(F)** way  
The crew's standing by ready on a **(C)** good ship in the bay  
And **(Bb)** wouldn't you laugh, there's not much time  
There's more **(C)** on my **(F)** plate. My **(C)** girl has just gone **(F)** Awww

**(F)** One more day, two more day, three more day to go

**(F)** Three more day, two more day, one more day to go

**(C)** One more day 'til I get her inside my brain

I've **(Bb)** thrown my baby **(C)** out with the **(F)** bathwater **(C)**

**(Bb)** Throwing my **(C)** baby **(F)** ay, **(Bb)** out with the **(C)** bathwa**(F)**ter

**(Bb)** Throwing my **(C)** baby **(F)** ay, **(Bb)** out with the **(C)** bathwa**(F)**ter

**(C)(F)**

**(F)** I got to the ship in the nick of time, **(Bb)** we sailed out the **(F)** bay

The enemy shooting from the shore, but **(C)** they're too far away

**(Bb)** Storm blew up and the mast fell down, there's more **(C)** on my **(F)** plate

My **(C)** girl has just gone **(F)**

*(chorus)*

**(G)(C)(Bb)(C)**

**(F)** One more day, two more day, three more day to go

**(F)** Three more day, two more day, one more day to go,

**(C)** One more day to go, one more day to go,

One more day to go, one more day to go

'Til I **(Bb)** have my baby **(C)** back in the **(F)** bath again **(C)**

**(Bb)** Throwing my **(C)** baby **(F)** ay, **(Bb)** out with the **(C)** bathwa**(F)**ter

**(Bb)** Throwing my **(C)** baby **(F)** ay, **(Bb)** like I **(C)** should not **(F)** do

**(G)(C)(Bb)(C)(D)(C)(Bb)(C)(F)**

**(F)** I lost her in the mayhem, which is **(Bb)** something else I **(F)** crave

Now she goes out with another, **(C)** I've heard he's called Dave

He **(Bb)** operates machinery and says he **(C)** loves her **(F)** well

But **(C)** deep down she still wants me I can **(F)** tell **(C)**

**(Bb)** Throwing my **(C)** baby **(F)** ay, **(Bb)** out with the **(C)** bathwa**(F)**ter

**(Bb)** Throwing my **(C)** baby **(F)** ay,

well I **(Bb)** can't **(C)** swim without **(F)** her **(C)(F)**
