

# Time To Get A Gun - (Fred Eaglesmith)

**D** **Em** **G** **D**  
 My neighbour's car got stole last night right out of his driveway  
**D** **Em** **G** **D**  
 We heard the dog a barkin' we never paid 'em any mind  
**D** **Em** **G** **D**  
 And Mary says she's gonna lock the door from now on when we go away  
**D** **Em** **G** **A**  
 I've been walking around this farm wonderin' if its time...

## Chorus:

**D** **Em**  
 Time to get a gun that's what I been thinkin'  
**G** **A (Tacet)**  
 I could af-ford one, if I did just a little less drinkin'  
**D** **Em**  
 Time to put somethin' between me and the sun  
**G** **D**  
 When the talkin' is over, its time to get a gun

**D** **Em** **G** **D**  
 Last week a government man was there when I walked out of my back door  
**D** **Em** **G** **D**  
 He said "I'm sorry to bother you son, it don't matter any-more  
**D** **Em** **G** **D**  
 'Cause even while were talkin' right here where we stand  
**D** **Em** **G** **A**  
 They're makin' plans for a four lane highway and a big ole over-pass"

## Chorus:

**A** **Em**  
 Mary says she's worried about herself and her kids  
**A** **Em**  
 Shes never known anybody had a gun and her daddy never did  
**A** **G**  
 Well, I think it should be up to me 'cause when it's all said and done  
**A** **G**  
 Somebody's gotta walk into the night and I'm gonna be that one

## Chorus:

**Em** **D**  
 When the talkin' is over, it's time to get a gun  
**Em** **D**  
 When the talkin' is over, it's time to get a gun
