

Veronica (Elvis Costello, Paul McCartney)

(C)(F)(C)(G)(C)(F)(G)

Is it (C)all in that (F)pretty little (C)head of (G)yours?
What goes (C)on in that (F)place in the (C)dark?(G)
Well I (C)used to know a (F)girl and (C)I would have
(G)sworn that her (F)name was (G)Veronica (Csus4)(C)
Well she (C)used to have a (F)carefree (C)mind of her
(G)own and a (C)delicate (F)look in her (C)eye(G)
(C)These days I'm a(F)fraid she's (C)not even (G)sure if her
(F)name is (G)Veronica (Csus4)(C)

Do you sup(Dm)pose, that waiting (A+)hands on eyes,
(F)Veronica has (G)gone to hide?
And (Dm)all the time she (A+)laughs at those who (F)shout
her name and (G)steal her clothes (F)Veronica (C°)Veronica
(G)(Dm)(Em)(G)(G)(F)(Em)(G)

Did the (C)days drag (F)by? Did the (C)favors (G)wane?
Did he (C)roam down the (F)town all the (C)while?(G)
Will you (C)wake from your (F)dream, with a (C)wolf at
the (G)door, reaching (F)out for (G)Veronica(Csus4)(C)
Well (C)it was all of (F)sixty-five (C)years a(G)go
When the (C)world was the (F)street where she (C)lived(G)
And a (C)young man (F)sailed on a (C)ship in the (G)sea
With a (F)picture of (G)Veronica (Csus4)(C)

On the (Am)"Empress of India"(Fm)
And (Bb)as she closed her eyes upon the (C)world and
(Am) picked upon the bones of last week's (Fm)news
She (Bb)spoke his name out loud again
(Chorus)

(C)Veronica (F)sits in her (C)favorite (G)chair and
she (C)sits very (F)quiet and (C)still(G)
And they (C)call her a (F)name that they (C)never get
(G)right and (F)if they don't then (G)nobody else will(Csus4)(C)
But she (C)used to have a (F)carefree (C)mind of her
(G)own, with (C)devilish (F)look in her (C)eye(G)
Saying (C)"You can (F)call me any(C)thing you (G)like, but
my (F)name is (G)Veronica"(Csus4)(C)

(Chorus)

(C)Veronica
