

Victoria Day

(Written by recorded by Melissa McClelland 2009.)

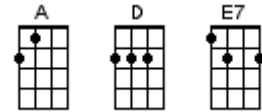

(A) You wouldn't know it, but I got what I deserve,
I'm heading to steeltown, before I lose my nerve
We'll **(D)** find a big old house, with too many floors
And **(A)** ghosts for every story that we never told before,
Yeah **(E7)** ghosts for every story that we **(D)** never told be**(A)**fore

(A) Victoria Day! (*Victoria Day*)

Victoria Day! (*Victoria Day*)

Vic**(D)**toria Day! (*Victoria Day*)

Vic**(A)**toria Day! (*Victoria Day*)

We're **(E7)** running out of money, but we've **(D)** got the month of **(A)** May

(A) I hold tight to memories of Spencer Smith Park

A bleary eyed epiphany, the ten-year old spark

You've **(D)** got your mom's old records and they're playing to your fears

You **(A)** know they'll still be crazy after all these years,

We'll **(E7)** still be crazy, **(D)** after all these **(A)** years

(A) Victoria Day! (*Victoria Day*)

Victoria Day! (*Victoria Day*)

Vic**(D)**toria Day! (*Victoria Day*)

Vic**(A)**toria Day! (*Victoria Day*)

We're **(E7)** running out of hope, but we've **(D)** got the month of **(A)** May

(A)(D)(A)(E7)(D)(A)

(A) That little pint of sadness, ooh, I still can't drink away

We're fresh out of fireworks, and it's raining anyway

There's **(D)** bats in all the cherry trees, the piano's out of tune,

But **(A)** we still got each other under a solitary moon,

Yeah, **(E7)** we still got each other under **(D)** solitary **(A)** moon

(A) Victoria Day! (*Victoria Day*)

Victoria Day! (*Victoria Day*)

Vic**(D)**toria Day! (*Victoria Day*)

Vic**(A)**toria Day! (*Victoria Day*)

We're **(E7)** running out of time, but we've **(D)** got the month of **(A)** May

(repeat last chorus, up one fret)
