

# What Goes On

(Written by John Lennon, Paul McCartney, and Richard Starkey. Recorded by the Beatles, 1965.)

**(E7)**

What goes **(E7)** on in your heart?  
What goes on in your **(A7)** mind?  
You are **(E7)** tearing me apart  
When you treat me so **(A7)** unkind  
What goes **(B7sus4)** on **(B7)** in your **(E7)** mind

**(E7)** The other day I saw you  
As I **(A7)** walked along the road  
But **(E7)** when I saw him with you  
I could **(A7)** feel my future fold  
It's so easy for a **(B7)** girl like you to **(E7)** lie  
Tell me **(B7)** why

**(chorus)**

I **(E7)** met you in the morning  
Waiting **(A7)** for the tides of time  
But **(E7)** now the tide is turning  
I can **(A7)** see that I was blind  
It's so easy for a **(B7)** girl like you to **(E7)** lie  
Tell me **(B7)** why

**(chorus – sing 1<sup>st</sup> line, rest instrumental)**

I **(E7)** used to think of no one else  
But **(A7)** you were just the same  
You **(E7)** didn't even think of me  
As **(A7)** someone with a name  
Did you mean to break my **(B7)** heart and watch me **(E7)** die  
Tell me **(B7)** why

**(chorus)**
