(Written by Jeff Tweedy. Recorded by Wilco, 2009.)

(E)(Esus)(E)(Esus)(E)(A) (E)(Esus)(E)(Esus)(E)(A)

(E) Come on, children, you're **(Esus)** acting like **(E)** children
(Esus) Every **(E)** generation **(A)** thinks it's the end of the **(E)** world
(Esus)(E) (Esus)(E) (A)

(E) All you fat followers, **(Esus)** get fit **(E)** fast
(Esus) Every **(E)** generation **(A)** thinks it's the last
(D) Thinks it's the end of the **(E)** world **(Esus)(E) (Esus)(E) (A)**

Yes, **(D)** dream down a **(A)** well, there's a **(D)** lone heavy **(B7)** hell
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
It's a **(D)** feeling we tran**(A)**scend, that we're **(D)** here at the **(B7)** end
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
You never **(E)** know **(Esus)(E) (Esus)(E) (A)**

(E) Come on, kids, you're **(Esus)** acting like **(E)** children
(Esus) Act your **(E)** age, put **(A)** back the black metals and **(E)** pearls
(Esus)(E) (Esus)(E) (A)

Oh, **(E)** all you sword swallows, **(Esus)** pull yourselves **(E)** together
(Esus) Every **(E)** generation **(A)** thinks it's the worst
(D) Thinks it's the end of the **(E)** world **(Esus)(E) (Esus)(E) (A)**

It's a **(D)** secret I can't **(A)** tell, there's a **(D)** wish down a **(B7)** well
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
It's a **(D)** long heavy **(A)** hell, super **(D)** size it by **(B7)**ten
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
You never **(E)** know **(Esus)(E) (Esus)(E) (A)**
I will never **(E)** know **(Esus)(E) (Esus)(E) (A)**

(D)(A)(D)(B7)

I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
It's a **(D)** secret I can't **(A)** tell, there's a **(D)** wish down a **(B7)** well
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
It's a **(D)** dear to tran**(A)**scend, and we're **(D)** here at the **(B7)** end
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
I don't **(Em7)** care any**(A)**more, I don't **(Em7)** care any**(A)**more
You never **(E)** know **(Esus)(E) (Esus)(E) (A)**
Oh, you never **(E)** know **(Esus)(E) (Esus)(E) (A) (E)**
